## Labor Day

Another Labor Day is upon us. They like to say it's the unofficial ending of summer. Our temperatures sure don't reflect that. I, for one, am looking forward to the cooler air of Fall.

School starts this week. We're looking forward to welcoming our returning and new students to St. Lawrence School. Many of our high school students and college students have already begun the term. We'll pray for a good year of learning and wisdom for all.

I hope you can take some time this weekend to stop and rest. Labor Day is a day set aside to rest from your labors. Have a picnic. Go for a walk. Take a nap. Read a novel you've already read. Watch a movie. Call a friend. Do something that's good and renewing.

Our **Garage Sale Intake** of items is this week and next weekend. The days and times are listed in this bulletin in the weekly calendar. Please, encourage your friends and those not in the parish to donate. We have a very good beginning and we could always use more. If you can spare an hour next weekend on Sunday morning (don't skip Mass though!) to help with the intake, that would be great. Just sign up in the vestibule of the Church.

And please come to the Garage Sale! There are so many good things that come in. So take a few minutes and check it out!

## Anointing of the Sick

I've had some questions about this sacrament. Let me take a few lines in this column to address this:

In the old days, we called this Sacrament "Extreme Unction," or more popularly, "Last Rites." We don't use this terminology anymore. The practice was that people waited until the few moments before death to call the priest to come in and administer the Sacrament. It was *extreme* and the end. Many people found this terrifying. My own parents refused to be anointed for fear that they would die right afterwards.

Since the late 1960's, we have called this the Sacrament of the Anointing of the Sick. Intended for all Catholics who are ill in body and/or mind. In other words, those who live with chronic pain, chronic depression, terminal disease; those about to undergo a medical procedure, operation, or test; those who are quite elderly; those who are in emergency—all are welcome to seek out this Sacrament.

The grace of the Sacrament is infinite, no expiration date. And if someone is anointed, they need not be anointed again at the moment of death.

So please contact us if you wish this sacrament. If you are at Church, and would like to receive this Sacrament after Mass, let us know. We're glad to oblige.

And, do not wait until your loved one is near death. Sometimes, we cannot come right away as much as we would like to. I would hate to have someone request an Anointing and we cannot get there in time.

If you have any questions, feel free to ask Fr. Caton or myself.

Have a blessed holiday weekend.

Due to the changing abilities and needs of caregivers and clients, The Sisters of Saint Joseph has made the difficult decision to end the *Sisters Care* ministry, effective September 1, 2018.

The Sisters of Saint Joseph founded *Sisters Care* in 1993. They saw a need in the community to serve the elderly and physically challenged as well as their primary caregivers. Since then, *Sisters Care* has served hundreds of clients in their homes in the spirit of the Sisters of Saint Joseph to love and serve the dear neighbor.

The Sisters of Saint Joseph are grateful for the love and support that has been extended to the *Sisters Care* ministry over the years.

Thank you and please let me know if you have any questions,
