MUSINGS

By Father Lee Chase

During the month of July, Fr. Caton has been and will be on vacation. He joined us for two Masses last Sunday morning, but will be away for the rest of the month. Fr. Erdle and Fr. Brickler have been kind enough to lend their services in covering Masses for us and I am greatly indebted to them. Because of various schedules and availability, there are some Masses at which I won't be presiding. I want you to know that I am still here, still around. Trying to juggle so many schedules becomes a real challenge sometimes. This subject brings up the underlying issue of the number of priests available for when another priest cannot be available. Our numbers in the priesthood are growing smaller and we priests are growing older. We need to be aware of this as we move into the future.

Mid-July is the mid-point, already!, of summer. I hope that you are getting a chance to enjoy the nicer weather and maybe get in some vacation. Personally, I prefer the cooler weather. Please, when travelling, be safe!

Don't forget about our Garage Sale, this will be third one we've hosted! Start going through your basements, attics, your own garage and put aside your goodies to donate in the beginning of September. Remember all those things you bought last year? You can donate them to us again and then have the thrill of buying them again!

And, keep praying for our sisters and brothers in need. So many people of our parish are homebound, in assisted living centers, experiencing health issues and/or mourning the loss of a loved one. We need to surround them with our loving care and prayer as their parish community. If you want us to pray for someone, please let us know.

And along those lines, I've been thinking that we should have a prayer network or prayer phone tree. That would mean if there is a specific prayer request, you would let us know at the office and we would start the tree of prayers! If you're interested in helping organize this with me, let me know! Call me at the office. Thanks.

Knights of Columbus Council #11374 has a "COFFEE for HOSPICE" box in the Narthex to collect coffee donations for hospices in our area. Coffee is the most requested item we receive from them, their supply gets used very quickly caring for the patients and their families. The Knights of Columbus "COFFEE for HOSPICE PROGRAM" is the main supplier of coffee donations to these facilities. Please consider dropping off a pound or Keurig Type K – Cups on the way to Mass.

We thank you in advance for your donations.
