

Jesus Feeds the People

Use your finger puppets to tell the story about Jesus feeding the people. Act out the play for a parent or a friend.

Jesus Feeds the People A Finger Puppet Play

- Child:** People listened to Jesus. They listened all day. Now they were hungry.
- People:** "We love you, Jesus. You talk to us about God. But we are so hungry."
- Jesus:** "You have listened all day. I will ask my disciples to give you something to eat."
- Child:** Jesus asked his disciples to feed the people. But they said that they could not help. They had only five loaves of bread and two fish. How could they feed all these people?
- Jesus:** "Give me the bread and the fish. I will ask God to bless the food. Then you can share it."
- Child:** Jesus blessed the food. His followers shared the food with the people. Everyone had enough to eat.
- People:** "Mmmmmm. This food tastes so good. Thank you, Jesus."
