

Follow Jesus

God wants us to be happy with him in Heaven. This means that we must follow Jesus.

Play a game with a partner about following Jesus. You each will need two coins.

1. Flip one coin. If it comes up "tails," move ahead 2 spaces. Read the words on the space out loud.
2. If the coin comes up "heads," move back one space.
3. Use the second coin to mark your space.
4. If you land on a space with words, tell your partner a way that you could do what the words say.
5. When you reach the end, say, "Thank you, GOD!"
