The Tabernacle

The tabernacle is where we keep the Blessed Sacrament. The sanctuary light stands near the tabernacle.

Pretend you are a tour guide. You are to show people around your church and explain some of the important parts of it.

1. In the art space, make a diagram of your church for visitors to see.
2. Draw and label the altar, the pews, the tabernacle, and the sanctuary light.
3. If you wish, add other things you see in the church.
4. Share your diagram with a friend.
